HOW TO USE THIS LIST

It's time for you to CONQUER one of the most well-loved parks in not just the Orlando area, but across the WORLD: Magic Kingdom!

Magic Kingdom is composed of six unique lands: Main Street U.S.A, Fantasyland, Tomorrowland, Adventureland, Frontierland, and Liberty Square. Because each land has its own attractions, food, and shops to explore, this checklist will break it aaaaallllll up for you in easy-to-navigate sections. That way, each time you accomplish something in a certain land, you'll be able to find it quickly and check it off your list, right then and there!

Keep in mind that some restaurants on this list may require Advance Dining Reservations. It's also a good idea to jump between lands instead of accomplishing EVERYTHING in a single section in one go (especially if ride lines are looking rather long in some areas of the park... which tends to happen).

Also, keep an eye out for THIS SYMBOL:

This symbol will be placed next to our HIGHEST recommended stops in each land!
