# BEST MAGIC KINGDOM SNACKS

## Warm Cinnamon Roll

*Gaston's Tavern*

Look, we try not to encourage Gaston and his huge ego...but he's earned his kudos for the Warm Cinnamon Roll (especially when we ask for extra icing to go along with it!)

## Cheeseburger Spring Rolls

*Adventureland Spring Roll Cart*

These savory snacks are meaty, cheesy, and taste like a fast food cheeseburger enveloped in a golden, crispy shell instead of a bun. The Spring Roll Cart switches out flavors regularly, but the cheeseburger option tends to stick around. See what's available during your next visit!

## The Grey Stuff Cupcake

*Gaston's Tavern*

This moist chocolate cupcake is topped with the famous Grey Stuff (ie: cookies and cream icing), then garnished with crispy pearls for a nice little crunch.

## Cold Brew Float

*Auntie Gravity's Galactic Goodies*

Coffee and ICE CREAM? It's a float that will also take care of your caffeine fix. You get your choice of soft-serve to go in it. (The Salted Caramel soft-serve is widely debated within our team. Some are in love with it, while others cannot stand it. The great part about this snack is that YOU can customize it with the soft-serve flavor YOU want!)

## All-American Sundae

*Plaza Ice Cream Parlor*

This sundae is made with vanilla and chocolate ice cream, hot fudge, peanut butter drizzle (the BEST part), whipped cream, and a cherry! TBH, you can't go wrong with any of the treats at Plaza Ice Cream Parlour.

## Waffle with Fruit and Chocolate-Hazelnut Spread

*Sleepy Hollow*

If you like, you can load up your Waffle at Sleepy Hollow with every single sweet topping in the house: chocolate-hazelnut spread, bananas, berries (blueberries and strawberries), AND whipped cream! This thing is completely smothered in all good things...and YOU get to choose the ones you like best!

## Tropical Serenade

*Aloha Isle*

The Tropical Serenade is made with passion-orange-guava (POG) juice, coconut soft-serve, and a pineapple cake pop. It's like three snacks in one!

## PB&J Cookie Pie

*Main Street Confectionery*

This cookie pie is made with M&M's Peanut Butter Chocolate Candies, peanut butter frosting, and strawberry jelly, making it truly reminiscent of a PB&J sandwich...just in dessert form!

## Hushpuppies

*Columbia Harbour House*

The classic hushpuppies are crispy on the outside, fluffy on the inside, and have sweet little corn pieces mixed into the batter, too!

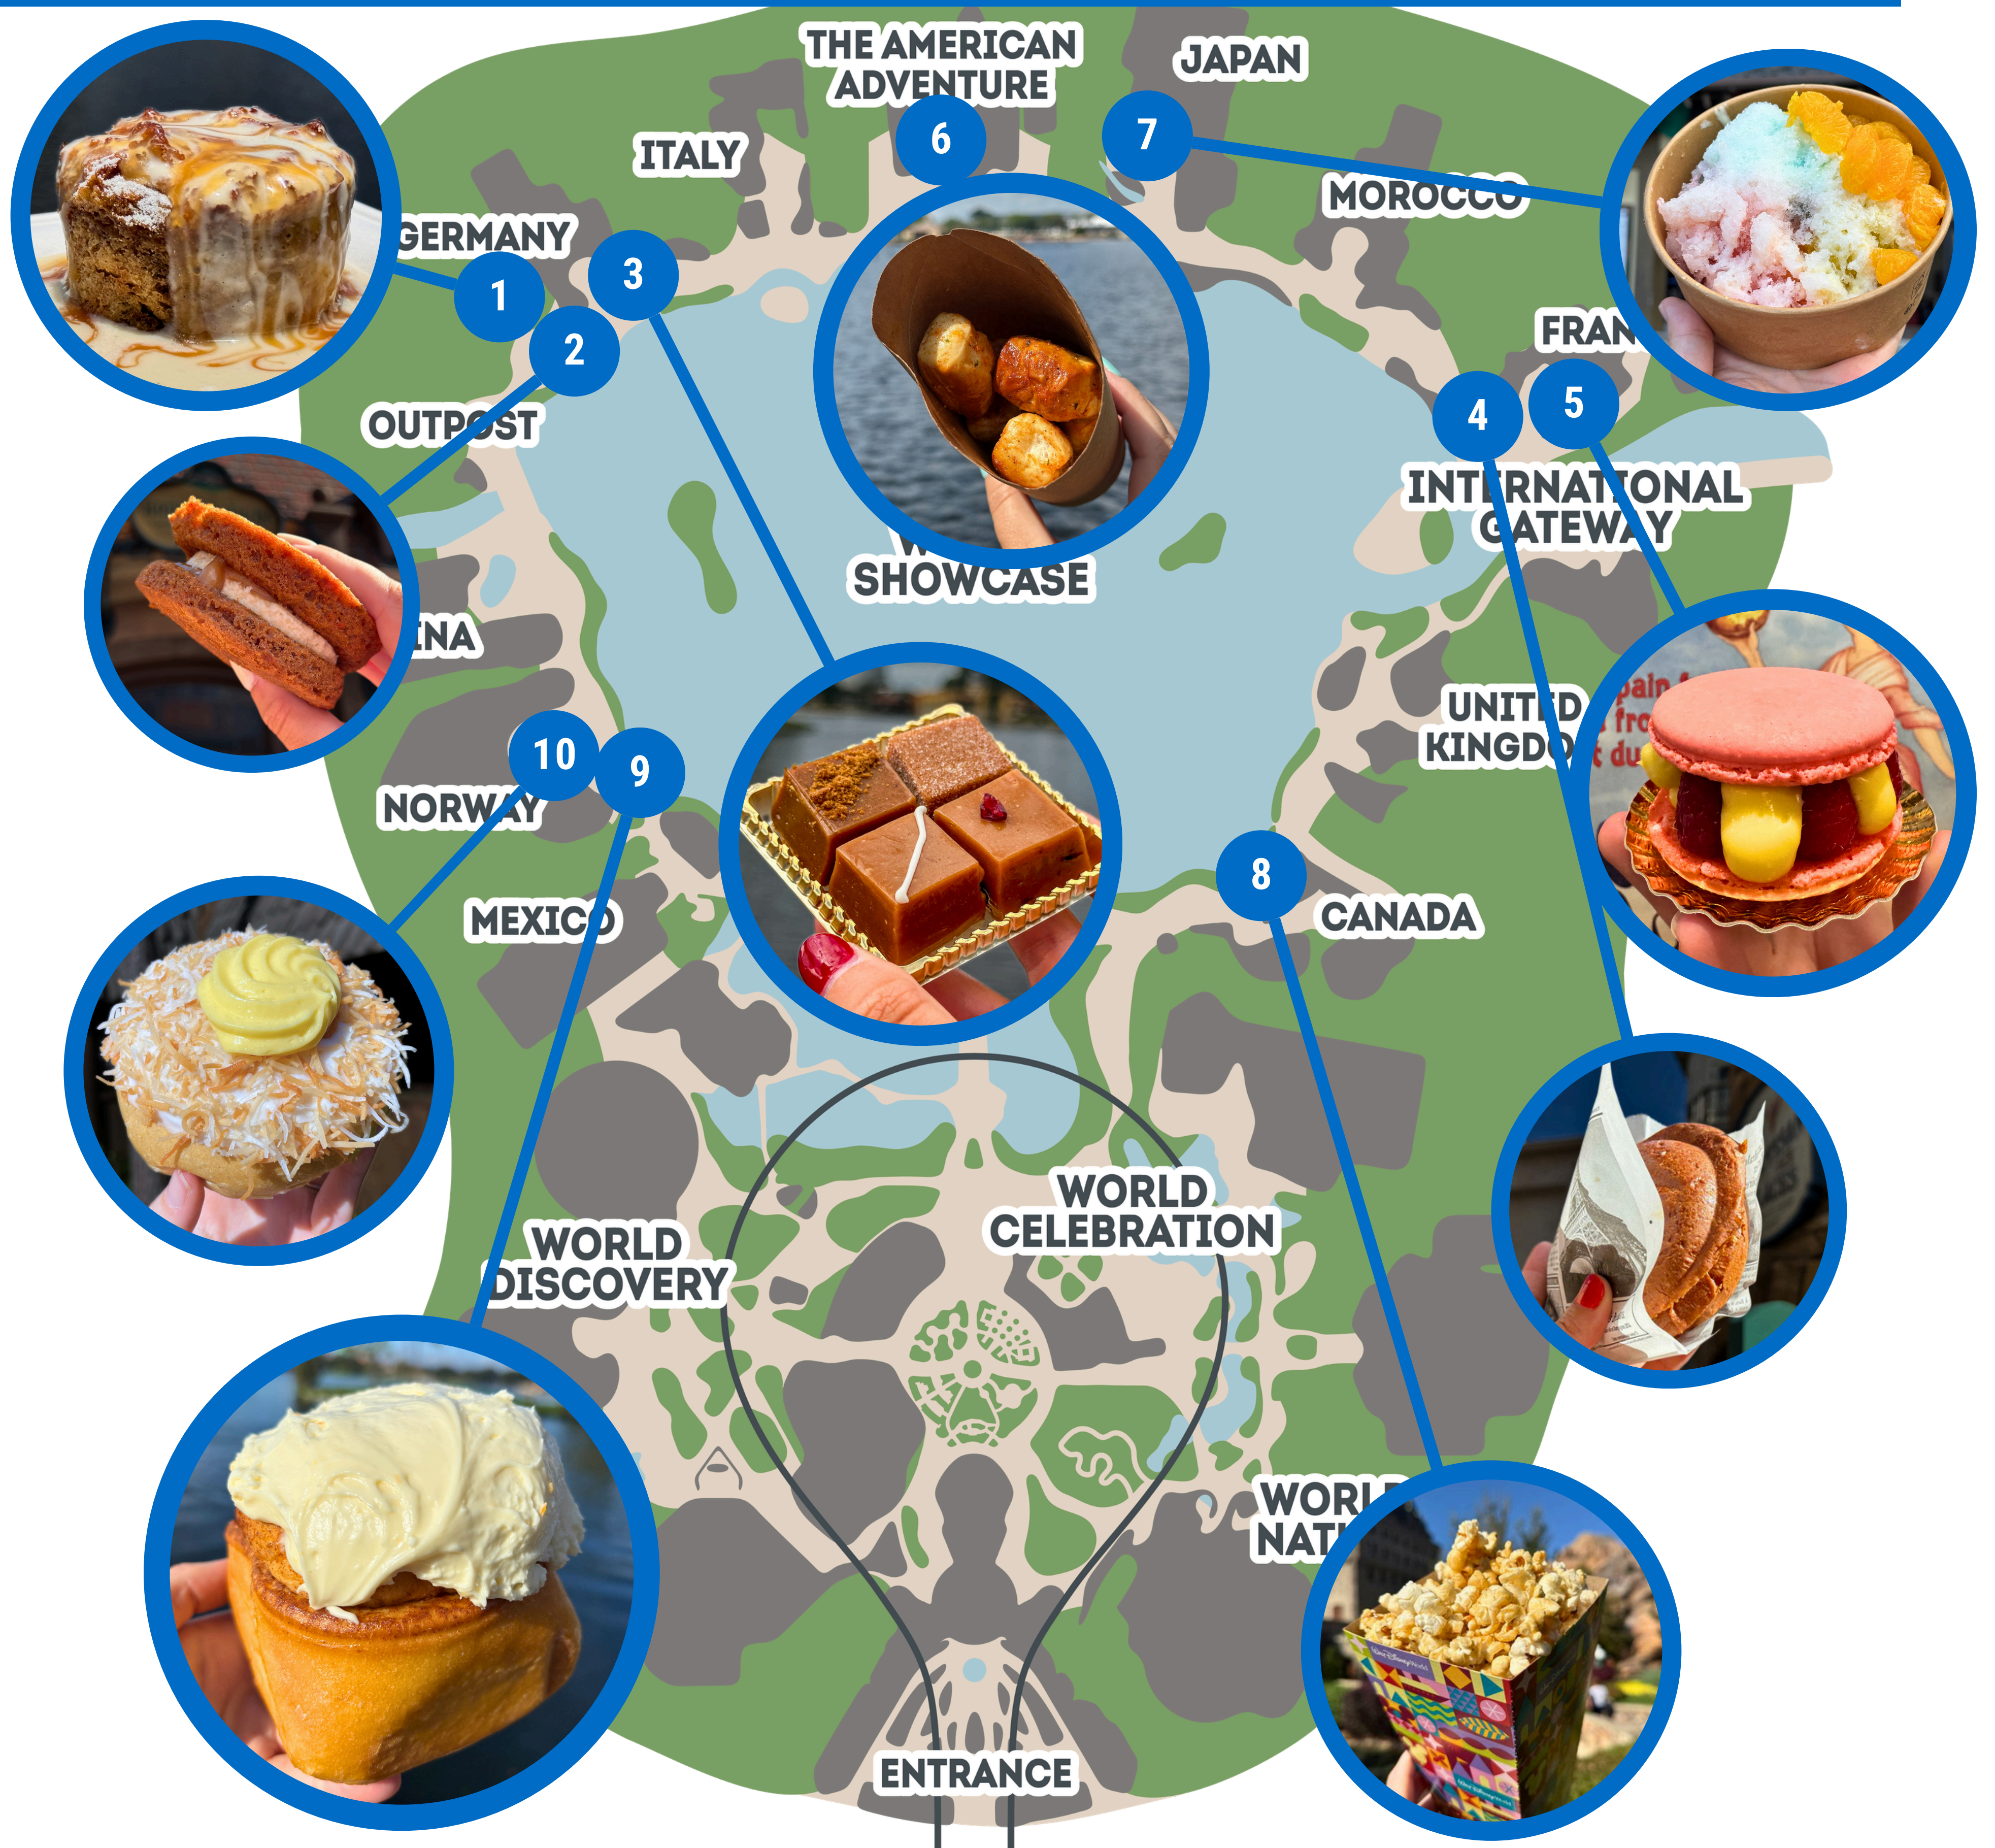

## Mac and Cheese Hand Pie

*The Friar's Nook*

This one is for the mac and cheese lovers out there! Essentially, it's an empanada FILLED with mac and cheese. And yes, this thing is as ooey, gooey, and delicious as it sounds!
