March is **Women's History Month**. Disney typically celebrates with a variety of limited-time treats and drinks throughout the parks and hotels. **St. Patrick's Day** also falls in March - look for a special celebration at Raglan Road in Disney Springs.

**editor's  
NOTE**

updates coming soon!

In 2027, **Easter** falls on March 28th. Watch for Easter/Spring snacks to start popping up around the park around this time! Also, look for an Easter weekend parade with the Easter Bunny in Magic Kingdom, and (for about a week before Easter) meet-and-greets with Mr. and Mrs. Easter Bunny in Magic Kingdom.

If you're venturing into the parks in March you'll most likely be greeted by relatively pleasant, mild weather. March is often in the mid to upper-60s, with the average high being 79° and the average low sitting around 57°.

March is **Women's History Month**. Disney typically celebrates with a variety of limited-time treats and drinks throughout the parks and hotels. **St. Patrick's Day** also falls in March - look for a special celebration at Raglan Road in Disney Springs. And watch for **Easter/Spring snacks** to start popping up around the parks, too, around this time!

If you're venturing into the parks in March you'll most likely be greeted by relatively pleasant, mild weather. March is often in the mid to upper-60s, with the average high being 79° and the average low sitting around 57°.

**April 22nd is Earth Day (and the anniversary of Animal Kingdom's opening in 1998).** Disney sometimes celebrates with limited-time eats and drinks. But you'll especially want to look for rare character appearances in Animal Kingdom on Earth Day.

In 2026, **Easter** took place on April 5th. Around this time, look for specialty treats, an Easter weekend parade with the Easter Bunny in Magic Kingdom, and (for about a week before Easter) meet-and-greets with Mr. and Mrs. Easter Bunny in Magic Kingdom.

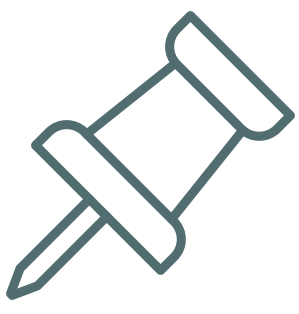

April is a little warmer than March with the average high at around 84° and the average low at 63°.

May is **Asian American and Pacific Islander Heritage Month**. Disney typically marks the occasion with limited-time snacks.

**May the 4th is a big day for Star Wars fans (May the 4th/Force Be With You)**, and Disney often marks the occasion with special, limited-time snacks and merch.

May 26th marks the return of **Cool KIDS' SUMMER**, which is set to feature a LOT of unique offerings in 2026 like the return of a free water parks ticket on check-in day for Disney Resort hotel guests, Toy Story pals at Diamond Horseshoe, GoofyCore at CommuniCore Hall, the debut of Disney Jr. Mickey Mouse Clubhouse Live!, the arrival of Bluey and Bingo at Conservation Station, character appearances during Early Entry, and more experiences for young families at select Disney World hotels.

While the averages in May are only a little higher than in April (a high of 88° and a low of 69° on average), it's in a pretty sweet spot between being too hot and too cold (at least, for some). It's also Central Florida's rainy season with frequent late afternoon/early evening thunderstorms.

June is **Pride Month**, which Disney typically celebrates throughout the parks and hotels with colorful treats, photo ops, and merchandise.

June also marks the return of **H2O Glow After Hours** at Typhoon Lagoon. This separately-ticketed event is available on select nights from June 2nd through September 5th.

In June, the average high is 91° and the average low is 73°. June is also the start of hurricane season. While Orlando might not typically see a hurricane make landfall during this month, it's something you'll want to keep on your radar.

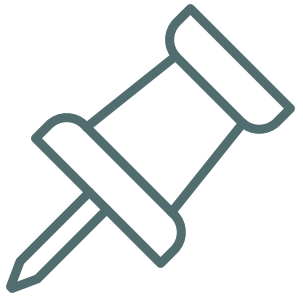

It's also Central Florida's rainy season with frequent late afternoon/early evening thunderstorms.

September 15th typically marks the start of **Hispanic Heritage Month**, so may find a variety of specialty snacks (and sometimes even unique entertainment and more) in the parks.

The average high in September is 89° and the average low is 74°. We sometimes see some pretty intense storms come through around this time of year (but not always). Hurricane season generally doesn't end until November 30th, so keep that in mind.

It's also Central Florida's rainy season with frequent late afternoon/early evening thunderstorms.
